Nurturing character, inspiring minds

What We Offer

- Excellence in Kindergarten education for children aged 3-6 years (Nursery, K1 and K2).
- British independent school traditions and a unique curriculum based on the Nurturing Early Learners framework (Singapore) and informed by the Early Years Foundation Stage framework (UK).
- Repton Schoolhouse children are supported to be effective and engaged learners ready to thrive in the Singapore education system.
- A truly bilingual environment ensuring the children become effective communicators in English and Mandarin.
- Opportunities for the children to express their creativity, develop a joy of learning and gain self-confidence.
- Repton provides small and nurturing centres designed to ensure high quality care and the environment to support each child as an individual in every aspect of their development
- By working closely with parents, Repton Schoolhouse develops children of character who have all the skills and attributes they need to succeed in a rapidly changing, highly competitive, global society.

Our aim is to ensure that each child becomes a successful learner, confident individual, and responsible citizen. Whilst our focus is firmly on developing the children's literacy and numeracy skills, they experience a wide ranging curriculum with opportunities to follow their own personal inquiries. This includes learning from teachers who are experts in their subjects such as Mandarin, Music and Dance.

Small class sizes, a generous child to staff ratio, excellent teaching and high expectations are the cornerstones of the Repton Schoolhouse experience.

Repton is one of the leading and most contemporary educational communities in the world. It is a truly global school family and we are privileged to introduce Repton Schoolhouse to Singapore. Open to children 3-6 years of age, through the two strong pillars of academic achievement and excellence in pastoral care, we aspire to give each child a great start. Our goal is to nurture a love of learning and to support the children to develop all the skills and attributes for future success at school and beyond.

About Our School

Repton Schoolhouse Singapore offers a unique curriculum combining the best of the British and Singaporean education programs and traditions. The combination of these and the finest educational practitioners, enable each child to be supported and guided to grow and develop their potential within a nurturing and supportive environment.

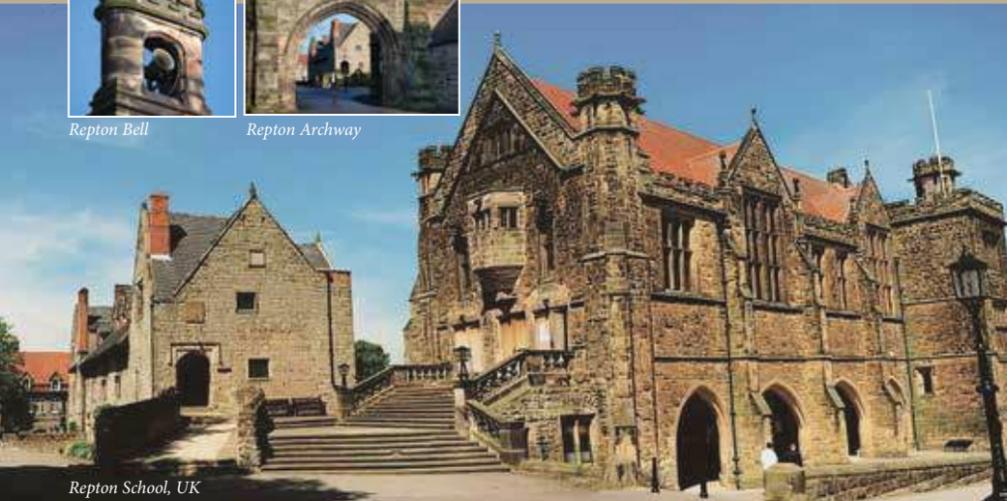

We are proud of the contemporary education the children experience and of the traditions and core values that lie at the heart of our school. The curriculum and programs reflect the context and culture of Singapore and our partnership with Repton School in Derbyshire, UK.

Repton's 450-year history has enabled it to develop a mature and clearly effective approach which moulds and brings out the potential of the children. We are fortunate to have been able to draw on the educational knowledge and expertise from Repton UK and thus combine the very best of the Singapore and British education systems.

Children from Repton Schoolhouse will seek to move on to high performing schools. Therefore, we ensure they are fully prepared to meet and make the most of the experiences and challenges ahead.

Character Development at Repton Schoolhouse

Repton Schoolhouse children and their families experience a unique environment which truly nurtures the children's development and lays the foundations of good character. The Repton values lie at the heart of school policies, the curriculum and our day-to-day endeavours. By using them in this way, all of the staff at Repton Schoolhouse are working with a common purpose and for the children; this leads to educational and personal outcomes with integrity and coherence.

Repton Values:

- **Wholeness** of the person in moral, intellectual, social and physical endeavours.
- **Truth** reached in a life-long process of learning.
- **Excellence** is an aspiration for all, in every pursuit, both individual and collaborative.
- **Respect** founded on a deep regard for common humanity.

Repton Schoolhouse Singapore implements the Virtues Project to ensure a positive and nurturing environment and to support the Repton values and character development. There is a strong emphasis on children's holistic development, including the development of learning and thinking skills and personal, social and emotional skills.

*"Tell me and I forget. Teach me and I remember.
Involve me and I learn."*

Learning Partnership

At Repton Schoolhouse, we believe that the education of a child is most successful when teachers and parents work together for the good of each child. We appreciate the trust parents put in us by choosing Repton Schoolhouse and we nurture positive relationships. To achieve this, excellent communication between school and home is our promise.
